BID NO. WSCA 3047

This contract covers Access Control Systems, Burglar Alarms and Closed-Circuit Television (CCTV), and only those items provided on the pricing links below. It is the responsibility of the

agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor creating a PRC in Finet. Agencies will return to the vendor any invoice which reflects incorrect pricing.

This purchasing agreement is established to allow state agencies and political subdivisions the opportunity to purchase repairs/service/upgrades for existing building security protection systems. This may include materials such as, equipment, hardware, software, labor and replacement parts for retrofits and existing systems. New installations will be based on materials and labor pricing, and new/full installs may be bid out separately. **THIS AGREEMENT DOES NOT COVER FIRE SUPPRESSION SERVICES.**

Make sure to evaluate both the pricing sheet(s) and hourly pricing on these contracts. Also see the following multi-award contracts before making a purchasing decision:

- MA588 – Tech Pro Limited
- MA590 – Hawaiya Technologies, Inc.
